TRIBECA GRANDHOTEL

Description:

TriBeCa is one of New York City's most exclusive, affluent neighborhoods, first gaining fame in the 70s and 80s when artists sought its loft spaces and removed location. TriBeCa is now home to first-rate restaurants, boutiques, designer stores, art galleries, and numerous fine vintage & contemporary furniture stores, not to mention historic architecture and elegance. The opening of the Tribeca Grand Hotel in 2000 marked the first boutique luxury hotel in the neighborhood and solidified its reputation as a key Manhattan destination. Like the neighborhood itself, the Tribeca Grand Hotel is understated yet luxurious, mixing clean, classic lines with bold color and style. Tribeca Grand's interior is decadent but tranquil, featuring a soaring central atrium and sleek, modern guest rooms.

Food & Beverage:

An intimate gathering place by day and a downtown destination by night, Church Lounge's long, glossy bar, plush armchairs, and softly glowing lighting provide the ultimate in sophisticated downtown socializing. Church Lounge offers a nouveau American menu with everything from light fare to three-course meals, designed exclusively by the Tribeca Grand chefs. Drinks range from signature house cocktails and specialty martinis—including the Tartini, the Grand Margarita, and the Perfect Ten—to a carefully curated selection of wines and champagnes.

Meeting & Special Events:

Tribeca Grand Hotel provides a wealth of catering and special events options, including the open atrium of Church Lounge, the plush seating in Grand Screen screening room, the dramatic windows of Sanctum, and the beautifully mirrored Grand Foyer and Studios A & B. Tribeca Grand's versatile spaces create classic, sophisticated backdrops for almost any event, from private parties to corporate receptions.
